RECRUITMENT SKILLS CHECKLIST

AIM OF CHECKLIST

When completing the following, please remember that this checklist is used by the reviewer to access your overall competency and suitability to a particular area.

Please feel free to elaborate on any area you feel necessary to give a more comprehensive overview to the reviewer.

EXPERIENCE: How frequently have you given nursing care to patients with the conditions listed below (within the last two years).

Experience:

- 1. None
- 2. Needs Practice
- 3. Well Skilled, but not practice within the last year.
 - 4. Well Skilled and practiced within the past 2 years.

I. GENERAL SURGERY:
Tongue Tie Release
Circumcision
Anal Dilatation
Haemorrhoidectomy
Fistulectomy
Excision PNS
Inguinal Herniorrhaphy with Mesh
Laparotomy for Intestinal Obstruction/Anastomosis of Alimentary Tract
Laparotomy for Spleenectomy
Laparoscopic Cholecystectomy
Laparoscopic Appendicectomy
Thyroidectomy
Parotidectomy
Lymph Node Biopsy
Incision & Drainage Abscess
Excision Ganglion
Mastectomy
Stripping of Varicose Veins
Amputation - Toes
- Below and above knee
Skin Graft
